

Dear Patients,

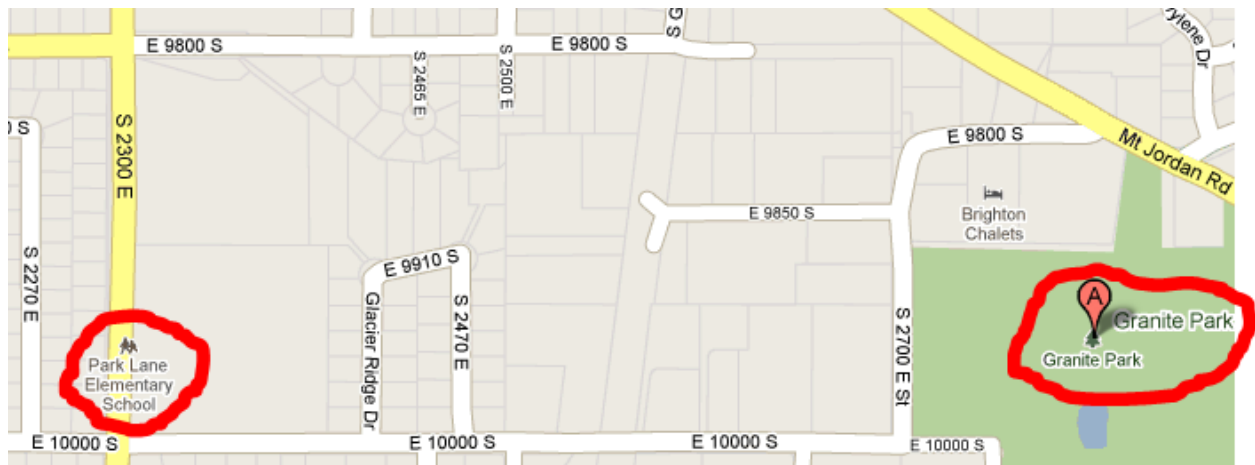

We are gratified but a little overwhelmed by the tremendous response to the patient party invitation. In order to better accommodate our patients we have expanded the party hours from 1 pm to 5 pm. This should help with crowd control and give us more opportunity to visit with you. Once you have signed in, you will be eligible for the grand prize drawing (\$5,000 credit towards an IVF cycle), but you need not be present when the actual drawing occurs. We will notify the winner by email or phone on Monday. In addition each hour we will have a drawing for smaller prizes.

We would like to encourage you to attend according to the following schedule:

1. 1 -2 pm – patients whose last name starts with A-D
2. 2-3 pm – patient whose last name starts with E-K
3. 3-4 pm – patient whose last name starts with L-S
4. 4-5 pm – patients whose last name starts with T-Z

If the above recommendation is not compatible with your schedule, then please come at the time that is most convenient for you and we will do our best to accommodate all of our guests.

Parking is very limited and we have arranged to have shuttle busses from the Park Lane Elementary school (and the adjacent LDS church just north of the school if needed) on the corner of 2300 East (East dell) and 10000 South. This should make it easy to come and go without problem as the shuttles will be continually running during the party hours. If you choose not to use the shuttle, make sure that you do not block anyone's driveway or impede the traffic flow on the narrow streets when parking. There will be a policeman directing traffic.

When you arrive please go to the line that has the first initial of your last name and pick up your name tag, meal and dessert tickets. The menu will include hot dogs, hamburgers, lemonade, potato salad, bean salad, fruit salad and ice cream with a brownie for dessert. You may redeem your ticket for your meal anytime between 1:15 until 4:30. Cotton candy and popcorn will also be available for snacks.

There will be a professional photographer available to take a family photo that you will be able to access and download online. If you are willing to sign a release it would allow us to use the picture on our website, blog and/or Facebook. You are welcome to have the picture taken and downloaded whether or not you want to make it available for our use.

There will be bouncer blow-ups, playground with slides, helium balloons and teddy bears (while supplies last) for the children. Please remember that you are responsible for your children and if you do not want them on the toys or prefer that they not have balloons then you should make sure that they avoid them. The bouncer blow-ups are vinyl and soft but injury can still occur. Please be watchful and protective of your children. There is a possibility that the bouncers may be wet. You may want to prepare ahead of time for possible rain and have some dry clothes for any children in case they get wet.

We are looking forward to seeing you all there. Please be aware that the forecast for Saturday is in the 50's with intermittent rain. We have several large canopies planned in addition to the covered area that is available.

We appreciate you all and look forward to seeing you on Saturday.

Best Wishes,

Reproductive Care Center
